THOUGHTS TO TAKE HOME

Please feel free to use these questions for personal or small group follow-up to the Sunday sermon.

- Besides violent criminals, what is it that would make you afraid of regular folks?
- Who would you describe as society's outcasts and why?
- What would it mean to you if, like Matthew, Jesus came up to you and said "Follow Me"?
- Why do you think our hearts begin to get prideful rather than humble when it comes to relating to others?
- What does it mean to you personally that God wants to relate to you even though you are not worthy?

" The church is the only group in the world where you have to be unqualified before you can join."
– David Guzik

"Those who are well have no need of a physician, but those who are sick. I have not come to call the righteous but sinners to repentance." – Luke 5:31-32
