Please feel free to use these questions for personal or small group follow-up to the Sunday sermon.

- Why do you think that material and or physical comfort mistaken for healthy spirituality?
- Which condition do you think is harder on a person, poverty, starvation, death of a loved one, or persecution? Explain your answer?
- What are some of the wrong reasons for a Christian to be “picked on” versus persecuted?
- Besides speaking truth, can a Christian be persecuted for other reasons?
- How can a Christian be “spoken well of” in a wrong or spiritually unhealthy way?

If you read history you will find that the Christians who did most for the present world were precisely those who thought most of the next. It is since Christians have largely ceased to think of the other world that they have become so ineffective in this.
