Please feel free to use these questions for personal or small group follow-up to the Sunday sermon.

- Why is it possible the we who have experienced God's generous mercy can become so merciless towards others?
- What are some of the ways that we can release others of guilt that they do not need to carry?
- How do we resist giving freedom to those who have sinned against us?
- James 4: 11-12 speaks of not judging our neighbor, how do you think this works out practically in life?
- How do we let Jesus train us in being generous in mercy?
- How would you know if you were not a merciful person?

Biblical orthodoxy without compassion is surely the ugliest thing in the world.
