Thoughts to take Home

How would you explain the concept of spiritual warfare?

What are some of the spiritual benefits that our spiritual enemy is trying to prevent us from having or enjoying?

Why did the demons take the man away from the city, cause him to ditch his clothes, and run among the tombs?

What is the eternal destiny of Satan and his demons, and why should this matter to us?

So, why do you think that the demon's rans the pigs into the water? Or maybe God instigated it, why would God possibly do so?

If in this world men persecute and slander you do not let this surprise or distress you, for this is for you no place of rest, but a battlefield.

– Sadhu Sundar Singh (missionary martyr to Nepal)

For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places. – Ephesians 6:12
