Please note that on request Pastor Robby can provide you with GCF doctrinal view on the practice of Spiritual Gifts.

When you envision “power” and “authority” in your spiritual life, what does that look like?

Why do you suppose that this would be such a controversial issue in the Christian Church?

What are the scripture verses that you would turn to for a good understanding of the exercise of spiritual gifts?

Has God gifted you? If yes, then what are some of the ways that you are or can allow God to use your gifting today?

How does God use humility in our lives in relation to spiritual power and authority?

Miracles are a less common way of God working in the world to bring glory to Himself and to display His power.
